Test your skills in this lighthearted battle between friends -- from the makers of Age of Empires and Halo Wars!

Heroic teams have gathered to engage in friendly contests on the Academy playfields. Will your team emerge triumphant?

Enter a world of swords and magic, and challenge friends old and new to a contest of tactics and skill. From the human Council to the mysterious Dark Elves, every team needs a fearless captain to lead them to victory. Only those that leverage their team's strengths and capitalize on their opponent's weaknesses will protect their crystal and win the day. The Academy extends a warm welcome to all – whether they're already heroes, or simply heroes in training!

Features:

- Highly accessible turn-based gameplay
- Easy to learn – jump right in and play!
- Play with friends or random opponents
- Colorful light-hearted graphics and sound
- Random playfields keeps battles fresh!
- Get started with the free Council team
- Expand your roster with additional teams!
- Customize your team
- Challenge your Facebook friends!
- Invite your Twitter followers to play!
- Chat with your opponents in-game
- Push notifications alert you to your turns

Wonderful concept and execution

by lightscene

I don't usually like games that require you to play with other people (I prefer AI), but Hero Academy won me over quickly. I think one of the other comments i saw had it exactly right: this game is a combination of chess and an rpg, and if you like either (or both!) you'll love this.

Awesome game

by Charles Desper

Heard about it from a Rooster Teeth podcast and love it.

very disappointed

by erkage

One of the best game in the store, but still no 4 inch screen support??? that's why only 2 star!
